

Table Topics Master

Table Topic Master - Normally only asks 6 Questions Maximum.

- Great role (intermediate) to do, once you have been coming along a month or so.
- **Short Introduction** – What is Table Topics?
- **Asks brief questions** (related to theme) – Easy to Understand, which doesn't require very complex understanding.
- **“Ask the question first and then invite someone to the front!”**
(This means people have to pay attention!!)
- Invite people that don't have a role! (to get everyone involved)
- Invite guests, but wait for a few people to speak first. (don't force any guests to participate, give them a chance to volunteer). This gets people speaking in front of an audience, then they want to return next time!!
- Questions should be engaging and Tasteful, related to theme if possible,
- Questions should not be too long or complicated, or require sophisticated knowledge or knowledge of an event a very long time ago. (ie not an IQ test, keep it simple)
- **Odd Evaluator** – Evaluates 3 Speakers.
- **Even Evaluator** - Evaluates 3 speakers
